Dawar El Omda is an intimate boutique hotel in downtown El Gouna. The architectural style of our hotel is reminiscent of an Upper Egyptian mayor's mansion with unique presence and charm. This property offers the best in service and a warm, private atmosphere with all amenities and activities within easy reach. Authentic to the core, the hotel's architectural style is complemented by a superb interior design. Local textures, mosaic floors, meticulously chosen antique furniture, original paintings and decorative elements in wrought iron and brass give Dawar its oriental flair. Dawar El Omda hotel has the distinctive aspect of being built partially over a lagoon and partially over land with a private lagoon beach.
