

## Environmental Policy

By investments in 'green' equipments and materials, water treatment, renewable energy, waste recycling and various environmental projects, Steigenberger Golf Resort is committed to continuously improve its sustainable standard.

Here are some of the most important targets Steigenberger Golf Resort is aiming to achieve and how you can help us achieve them:

### REDUCING ENERGY CONSUMPTION TO LOWER OUR CARBON EMISSIONS AND REDUCE GLOBAL WARMING

- Switch air conditioning units off when window and balcony doors are open.
- Do not use extreme temperature settings when using your air conditioning unit.
- Switch off the lights when they are not needed.

### REDUCING WATER CONSUMPTION TO LIMIT THE AMOUNT OF WASTE WATER THAT HAS TO BE PROCESSED FOR OUR CONSUMPTION

- Do not leave water running.
- Keep your shower time short and functional.
- Use the economic flush option on your toilet.
- Re-use your linen and towels to reduce washing on a daily basis.

### REDUCING WASTE PRODUCTION TO PREVENT THE DUMPING OF WASTE INTO LANDFILL

- Deposit all rubbish in the provided bins.
- Prefer recyclable products.
- Prefer paper materials over plastic.

### TAKING OUR RESPONSIBILITY SERIOUS WE ARE COMMITTED TO

- Complying with all environmental laws and requirements relevant to our business
- Adhering to our Purchasing Policy that gives preference to goods and services with the least possible environmental and social impacts.
- Monitoring and recording our environmental performances.

Thank you for your support in making El Gouna a better place for everyone!
